

Application for an Environmental Authorisation

Under Section 47 of the *Environment Protection Act 1997* (the Act), an Environmental Authorisation is required for the following Class A activities:

- | | |
|--|---|
| a) extraction of materials from a waterway | d) motor racing events |
| b) acceptance of soil | e) sale and supply of firewood |
| c) outdoor concert activities | f) other Class A activities (refer to Schedule 1 of the Act). |

Before you complete this application we suggest that you contact the Environment Protection Authority (EPA) by calling Access Canberra on 13 22 81 to discuss the information you need to provide with your application. Firewood applicants should be aware of the standard condition which relate to their activity.

1. The Applicant			
Registered business name (or name of applicant, if other than a compar			
Business address			
Suburb			
Postal address (if different from above)			
Suburb			
Name of contact person			
Title	First name		Surname
Telephone: Business		Mobile	
Facsimile		Email	
2. Details of where the activity is proposed			
(only complete this section if the land where the activity is proposed is not your primary place of business)			
Block		Section	
Division (Suburb)		District	
Street address			
Suburb		State	Postcode
3. Is the applicant the lessee (owner) of the land on which the activity is or will be conducted			
<input type="checkbox"/> Yes	If NO, the application must be accompanied with written consent from the lessee. Written consent is required from the Territory if the land is unleased Territory land; or from the Commonwealth if the land is unleased National land.		

4. Have the owners or directors of the business entity been convicted of an offence against the Act or a corresponding law in other jurisdiction in the last 10 years?

Yes (attach details)

No

5. The activity (Under Schedule 1 of the Act)

Select the activity you intend to undertake:

Item 1 - the extraction of more than 100m³ of material (other than water) from a waterway

Item 2 - the operation of equipment designed to extract more than 30,000t per year of material (other than ground water) from land outside a waterway

Item 7 - the acceptance of more than 100m³ of soil for placement on land by a lessee or occupier of the land if the land is in—

(a) an area identified in the territory plan as land in any of the following zones: Broadacre; Rural; Hills, Ridges and Buffer Areas; River Corridors; Mountains and Bushlands; or

(b) a plantation forestry precinct, within the meaning of the territory plan; or

(c) an area identified in the national capital plan as any of the following: Broadacre Areas; Rural Areas; Hills, Ridges and Buffer Spaces; River Corridors; Mountains and Bushland

Item 23 - outdoor concert activities using amplifying equipment if the venue has the capacity to hold more than 2,000 people and is not an authorised concert venue. Please provide the date/s of the event and any other details.

Item 26 - motor racing events, other than motor racing events held at an authorised racing venue. Please provide the date/s of the event and any other details.

Item 44 - the sale or supply in the ACT of firewood to the person who uses it, unless:

a) the quantity of firewood sold or supplied is less than 100kg; or

b) the firewood sold is under a scheme in which an annual fee is paid for the right to collect waste soft wood in pine plantations.

Other activity

6. Provision of information

The EPA may request further information relevant to this application and such further information must be received by the EPA before the application can be processed. If further information is required, the EPA will contact you within 20 working days of receiving your application. The Applicant should supply to the EPA at the time of lodging this application any information in the possession of the Applicant relating to environment protection and monitoring measures undertaken or contemplated by the Applicant which will help the EPA to access the application.

7. Exclusion of material from public inspection

If you believe some or all of the information you supply to the EPA could reveal a trade secret or adversely affect a person's lawful business activities, you may apply under Section 21 of the Act for that information not to be made available for public inspection (Describe any information which you believe should be excluded from public inspection).

8. Declaration

I declare that:

All the matters pertaining to my application are true and correct and I agree to comply with the authorisation condition

Signature of applicant

(or type name if submitting by email)

Date

9. Lodgement details

This application should be lodged:

via post:

Environment Protection Authority
GPO Box 158, Canberra ACT 2601

in person:

Dame Pattie Menzies House,
16 Challis Street, Dickson ACT

via fax:

6207 6084

via email:

environment.protection@act.gov.au

10. Payment option

Upon receipt of your application an invoice will be sent requesting payment of your application fee. Refer to the current Environment Protection (Fees) Determination or contact EPA to find out the application fee relation to your activity. This payment is GST exempt. An environmental authorisation is subject to an annual fee. The first annual fee is due one month after the grant date of the authorisation

Should you have any queries contact the EPA by calling 13 22 81.
