Applicant's declaration:

I AGREE THAT:	
If approved I will comply with the provisions of the Wildlife Conservation Act and Regulations, and all conditions (including those added specifically for this activity) applicable to the issue of this authority and licence.	
_____/_____/____	
Signature of Applicant	Date

Details of proposed collection (Either list the details in the spaces provided, or tick the 'List attached' box and attach a list that includes the same fields as below):

List attached

Note: for taking Priority flora from **conservation estate**, please submit an "Application to Take Protected Flora from Conservation Estate for Commercial Purposes" in addition to this application.

Species	Priority Code (1-4)	Location details of population where collection will take place (must be specific- eg. Lot number; can provide GPS coordinates to support)	Part of plant to be taken <u>and</u> total quantity (eg. seed, 150g)	Method of Collection

Applicants are required to submit the **written permission from the land manager** for the collection of the above Priority flora. **Note:** if the land is managed by DPaW, permission will be sought by Wildlife Licensing.

Written permission from land manager attached (tick)

OR

Land is managed by DPaW (tick)

Purpose of collection: Detail why the Priority flora listed above needs to be collected, and what it will be used for (note commercial collection of Priority flora will be permitted only where a conservation benefit to the species can be demonstrated). Collections for revegetation projects must demonstrate the use of local provenance material.

Further supporting documents attached (tick) e.g. project proposal, revegetation plan.

Location of where priority flora will be used:

Name of Local Government Authority (eg. Shire)	Location details of where planting will take place (must be specific- eg. Lot number; can provide GPS coordinates to support)	Land Owner/Occupier (Private Property) <u>OR</u> Land Manager (Crown Land)

Applicants are required to submit a **map** showing the location of collection in relation to location of final use.

Map attached (tick)
