Name of closest river or stream:	
SOURCE OF STOCK	
Name Supplier	
Address Supplier	
Size of Fish	

Comments/Conditions:

DIAGRAM OF PROPERTY

- Attach a map, or draw one in the space provided below, illustrating:
- The location of the property where the barramundi will be stocked;
- The location of the ponds/dams/tanks/cages where barramundi will be stocked;
- The distance from and names of any natural waterways, winter creeks, roads;
- The direction in which water would flow should the dam overflow in a flood;
- Any screening systems in place to prevent fish escaping.
