

The controlling authority may transfer the registration of a registered mooring site after the ownership of a vessel or other floating object in respect of which registration is effected has been assigned or disposed of by the registered owner and the person who has acquired the vessel requests the controlling authority to approve the transfer and that request is supported by evidence that the vessel or other floating object has been transferred.

Transfer requests will require a current Mooring Inspection Report (current within 3 months) to be attached for consideration

Transfers will require an annual fee of \$572.00 upon registration

I (the current registered owner) hereby request the Department of Transport approve the transfer of a Registered Mooring Site.
