FIREARMS REGISTRY

Scientific Purposes Permit

P 634

This FACT sheet provides information on the requirements for obtaining a Scientific Purposes Permit - clause 67 of the *Firearms Regulation 2006*.

Persons conducting legitimate scientific research, who require the use of a firearm for that research, must make application for a permit to possess and use the firearm.

What does a Scientific Purposes Permit authorise?

This permit authorises the permit holder and persons employed to assist the permit holder and also specified on the permit, to possess and use firearms in the conduct of legitimate scientific research.

What is 'legitimate scientific research'?

Research endorsed by a legitimate research body or university. The need for firearms must be established.

NOTE: For the purposes of this permit *legitimate scientific research* does not include research about firearms.

What is the term of the permit and how much will my permit cost?

The permit will be issued for a maximum term of 5 years and the prescribed fee for this permit is \$75. Your payment must accompany the application.

What kind of firearms can be acquired on this permit?

Longarms, pistols or tranquilliser firearms.

Do the firearm/s require registration?

Yes. Firearms used for this purpose require registration.

Do I need to do anything prior to lodging my application?

Yes. If you have never held a firearms licence or permit in NSW, or you do not currently hold an equivalent issued firearms licence or permit interstate, you are required to complete a firearm safety training course for longarms, pistols and/or tranquilliser firearms.

For longarm/pistol training providers contact: The Firearms Safety Training Council - 02 94863077, The Sporting Shooters Association of Australia (SSAA) - 1300746683, Department of Primary Industries Game Licensing Unit - 02 63913750, your nearest firearms club or the NSW Firearms Registry.

For tranquilliser firearm training providers contact:

Ronald Toning - 02 45731783 (02 45731743 FAX), or
Gary Bryant, Firearms Safety & Training Council - 02 94863077.

When you have completed the safety training course/s, include your certificate/s with your permit application.

What about safe storage?

The permit holder must comply with the safe keeping requirements of the *Firearms Act 1996* in relation to firearms authorised by this permit. The level of safe storage applicable is dependent on the type of firearms for which you are authorised. See the FACT Sheets on the 'Safe Storage' page available on our website or by requesting a copy of the applicable FACT Sheet by contacting the Firearms Registry.

What about persons employed to assist in this research?

Persons to be listed and authorised by this permit (in addition to the permit holder) must complete a P635 'Application for a Person to be Authorised on a Firearms Permit' form (separate form for each person); and

- * Provide proof of identity totalling 100 points (if the person does not hold a current licence or permit), and
- * Provide evidence of successful completion of the appropriate safety training course for longarms, pistols and/or tranquilliser firearms (if applicable).

How do I apply for an Scientific Purposes Permit?

You must complete the P634 'Application for a Firearms Permit' form and the 'Scientific Purposes Legitimate Reason' form and where applicable provide any supporting documentation. Please see the reverse of this FACT Sheet for instructions on how to complete the P634 form.
