NSW EPA, PO Box A290
Sydney South, NSW 1232.

A. Applicant details

Name of licence holder (in full):

Trading name/s (if applicable):.....

ACN: ABN:

Address

Suburb: _____ State: _____ Postcode: _____

Phone: _____ Fax: _____ Email: _____

B. Fit and proper person

Before granting an Aerial Applicator Business licence the EPA needs to determine whether the intended licence holder (the “applicant”) is a fit and proper person.

Applicants are required to answer ALL of the following questions in this section.

For the purposes of these questions, “relevant legislation” means the following Acts (and regulations and other instruments made under those Acts) and any equivalent legislation of another State, Territory or the Commonwealth:

- *Pesticides Act 1978* (NSW) (now repealed)
- *Pesticides Act 1999* (NSW)
- *Protection of the Environment Operations Act 1997* (NSW)
- *Environmental Offences and Penalties Act 1989* (NSW) (now repealed)
- *Occupational Health and Safety Act 1983* (NSW) (now repealed)
- *Occupational Health and Safety Act 2000* (NSW) (now repealed)
- *Civil Aviation Act 1988* (Cth)
- *Work Health and Safety Act 2011* (NSW)

1. Has the applicant ever been convicted or paid a penalty infringement notice under any provision of *relevant legislation* in Australia?

YES NO

2. If the applicant is a corporation, has any director of the corporation ever been convicted or paid a penalty infringement notice under any provision of *relevant legislation* in Australia?

YES NO

3. Has the applicant ever been issued, or refused, any licence or certificate in NSW or any other State or Territory of Australia in relation to the aerial application of pesticides?

YES NO

4. Has any licence or certificate held by the applicant in NSW or any other State or Territory of Australia in relation to the aerial application of pesticides, ever been cancelled, suspended or revoked?

YES NO

If you have answered **YES** to any of the above questions, you must provide complete details below of the specific circumstances and why these circumstances should not prevent the applicant from holding a licence:

If you have insufficient space, please attach a statement containing the required details.

C. Air operator's certificate and operations specifications

Applicants will need to supply a photocopy of their current Air Operator's Certificate (AOC) with any current Operations Specifications which are issued by the Civil Aviation Safety Authority (CASA) under the *Civil Aviation Act 1988*. You must include all pages of your AOC including any attachment with the current Operations Specifications.

Have you attached a complete copy of your AOC? YES NO

If you answered **NO** to the previous question, then in the space below state the reason why a complete copy of the AOC is not attached.

It is important to remember that the EPA cannot issue your licence unless you possess a current AOC. If you are in the process of obtaining a new AOC and it is not available at the time of lodging this application, then you will need to forward a photocopy of the AOC to the EPA as soon as it becomes available.

The licence cannot be issued until this information is received by the EPA.

The AOC is issued to:

.....
(Write the name in full as it appears on the AOC, including any trading names)

NOTE: The AOC must be issued to you. If you have recently changed the name of your business or formed a new company then you may need to contact CASA to amend your current AOC or issue you with a new one, before you are eligible to be issued with an EPA licence.

The expiry date on the AOC is/...../.....

Does the AOC or Operations Specifications have endorsements for agricultural operations or aerial application? YES NO

If the AOC or Operations Specifications does not have endorsements for agricultural operations or aerial application then you will need to obtain such an endorsement from CASA before you are eligible to be issued with an EPA licence.

D. Application fee

An application fee of \$189 applies to all Aerial Applicator Business licences. The EPA will not issue the licence until this fee has been received.

E. Applicant's declaration

I declare and understand that:

- I am 18 years of age, or older
- The information supplied in this application is true and not false or misleading
- I consent to the making of inquiries and the exchange of information with authorities in any relevant State or Territory regarding my activities in the occupation relevant to this licence application.

Privacy compliance statement

The details that you provide on this application form are required by law.

Details of all licence applications including personal information such as your name and date of birth are collected and held by the EPA and some details are made available to the public, along with licence details, via the public register.

You can ask the EPA to remove or not place personal information on the public register. However, for this to occur the EPA must be satisfied that the safety or wellbeing of any person would be affected by not suppressing the information and that suppression would, on balance, be in the public interest. You can forward reasons why your personal information should not be included on the public register to the Manager Hazardous Materials, Chemicals and Radiation, Environment Protection Authority, PO Box A290, Sydney South 1232.

The information received by the EPA in this application is maintained in accordance with the Government Information (Public Access) Act 2009 (GIPA Act). You have the right to access the information the EPA is holding about you. You can also require the EPA to make appropriate amendments (whether by way of corrections, deletions or additions) to ensure that the personal information is accurate, relevant, up-to-date, complete and not misleading. Contact a Right to Information Officer, Environment Protection Authority, PO Box A290, Sydney South 1232 (02 9995 6080 or 02 9995 6497) for assistance.

Please send this form, other required information, two passport photos and payment of \$189 to:
