Are any structures or facilities proposed to be used or installed within the marine park?:

Examples of structures and facilities include but are not limited to moorings, temporary shelters, stages, props, advertisements and stalls as well as research identification and semi-permanent tagging devices.

No -  Go to question 11

If yes, please specify and describe nature and scale:

If yes, please describe how the impacts of the use of structures will be minimised:

QUESTION 11:

Under the Marine Parks Regulations, applications for permits must be considered against the 'principal' assessment criteria', which includes the objectives of the Marine Parks Act and marine park zones, and the zoning and operational plans for the marine park. Please complete the following questions to assist the Authority in assessing your application.

a) What will be the likely effect of the proposed activity on the marine environment (plants, animals, habitats and their processes) and on ecological sustainability?

b) Will the activity affect other users of the marine park? e.g. create noise, restrict access by other users? If yes, please provide details of how impacts are to be minimised:

c) If the applicant is an individual, give details of their experience/qualifications for undertaking the activity: OR:

d) If the applicant is a company or association give details of relevant experience/qualifications of the entity in undertaking the activity as well as the qualifications/experience of the persons who will be undertaking the activity within the marine park:

QUESTION 12:

Are you applying for a permit that is commercial in nature?

No -  Go to question 13

Yes -  Complete below

Insurance requirements for activities commercial in nature:

Permittee must, prior to the commencement of the permitted activities and during the life of the permit, obtain a public liability policy of insurance which covers the following:

Public Liability cover of not less than five million dollars (\$5M) for current permit holders as at 1 January 2006 and ten million dollars (\$10M) for new permits (\$10M minimum public liability cover will apply to all permittees from 1 July 2007) in respect of the death of or injury to any person, or the loss of or damage to any property (including a protected area), arising out of or in connection with the Permittee's commercial activity in a marine park, where such death, injury, loss or damage is caused in whole or in part by the conduct, or presence in the marine park, of the Permittee, or employee, agent or client of the Permittee.

Before a permit allowing commercial activities is granted evidence that the applicant holds sufficient Public Liability Insurance is required. As evidence of this please attach to this application a copy of the Certificate of Currency for the insurance policy as proof that you hold the required public liability insurance (see above).

Have you attached a copy of the Certificate of currency for your Public Liability Insurance policy?

Yes -  Go to question 13

QUESTION 13:

Duration in which a permit is sought:

From/...../..... for the maximum period available (12 months for new applicants, 3 years f

OR

Other/...../..... to/...../.....
