Privacy statement

This information is collected by the Department of Industry, Skills & Regional Development (NSW Department of Industry) for the purposes of assessing an application for or associated with a title as required by the *Petroleum (Onshore) Act 1991* or *Petroleum (Onshore) Regulation 2007*.

This information may also be used by the department to confirm applicant details in the event that subsequent applications are made, and may also be used to establish and maintain databases to assist the department with its work generally.

Except for purposes required by law, the information will not be accessed by any third parties in a way that would identify the person without the consent of that person.

You may apply to the department to access and correct any information the department holds if that information is inaccurate, incomplete, not relevant or out of date.

When to use this form

Complete this form if you are applying to renew a petroleum assessment lease in New South Wales.

This form and its associated templates are approved in accordance with the requirements of [Part 3](#) of the *Petroleum (Onshore) Act 1991* and [Part 2](#) of the *Petroleum (Onshore) Regulation 2007*. The information requested in this form may not be specifically referenced in the *Petroleum (Onshore) Act 1991* or the *Petroleum (Onshore) Regulation 2007*, however its inclusion in the approved form validates the authority of the NSW Department of Industry, Division of Resources and Energy (the department) to request it.

Important notes

Any information or template that is required to accompany this application should be lodged within **10 business days of the lodgement date**. Failure to supply the information within this timeframe may be considered as grounds for refusing the application according to Schedule 1B Clause 5(d) of the *Petroleum (Onshore) Act 1991*.

If this application is lodged by any party other than the applicant/s (ie. an agent), the department may seek confirmation of that authority and any limits of that authority given to that other party by the applicant (Section 97F of the *Petroleum (Onshore) Act 1991* and Clause 20A of the *Petroleum (Onshore) Regulation 2007*). The agent will need to complete the declaration at the end of this form and supply evidence of their appointment, if not already supplied to the department.

You must lodge your renewal application **not earlier than five years** and **not later than one year before the expiry date** of the assessment lease.

Note That a Title fee is payable on renewal of a petroleum assessment lease

- If renewed for a term of less than three years \$10,000
- If renewed for a term of three years or more \$15,000

How to submit this form

- **By email:** Send an electronic copy of the form including any attachments and proof of payment to titles.services@industry.nsw.gov.au
- **By mail:** Mail your form, attachments and proof of payment to Division of Resources and Energy, Titles Services, PO Box 344, Hunter Region Mail Centre NSW 2310.
- **In person:** Submit your application in person at the Division of Resources and Energy's Titles Services office, 516 High Street, Maitland, New South Wales. Office hours are 9.30am to 4.30pm.

How this application will be processed

Once your application has been registered and checked, it will be assessed by the department. The Minister for Resources and Energy (or their delegate) will consider the department's recommendation and all relevant information, and may propose to grant or refuse the application.

Yes, I have attached a renewal justification statement.

7 Prospecting title work program

Provide a proposed work program using the [Petroleum Prospecting Title Work Program Form](#).

You can submit the work program in one of two formats:

- **A fixed agenda** describing, in detail, the nature and extent of operations to be conducted during the whole of the authority's term

OR

- **A two-part format** consisting of: **a.** a fixed agenda describing, in detail, the nature and extent of operations to be conducted during an initial period (at least the first two years) of the term of the lease, and **b.** a summary of intended operations during the remainder of the term. Work program requirements are stipulated in [Part 2](#) of the *Petroleum (Onshore) Regulation 2007* and further in the [Exploration Guideline: Work Programs for Prospecting Titles](#).

Indicate the format of your work program below.

I have attached a work program in the fixed agenda format.

I have attached a work program in the two-part format.

8 Technical advice

Nominate a technical manager who will be responsible for supervising prospecting operations and geoscientific reporting. The person is expected to be a geoscientist or mining engineer with relevant experience or have other relevant qualification or experience in exploration.

Provide the person's contact details and confirmation of their acceptance of the role. Note that this does not make the person liable for any other matters relating to this application.

You can attach the contact details and acceptance as a letter or enter the information below.

I have attached documentation with the exploration technical manager details and acceptance of the role.

OR

I have entered the exploration technical manager details and authorisation below.

11 Activity approvals

11.1 Approved Category 2, Category 3 and 'Assessable' activities

Any prospecting operations which are **not** defined as 'Exempt Development' under [Clause 10](#) of the *State Environmental Planning Policy 2007 (Mining, Petroleum Production and Extractive Industries)* require approval before they commence. Refer to the guideline [ESG5: Assessment requirements for exploration activities](#) for more information on activities.

11.1.1 Are there any Category 2, Category 3 or 'Assessable' prospecting operations that have been approved and are continuing into the new term of the title?

Yes. There are Category 2, Category 3 or 'Assessable' prospecting operations that have been approved and are continuing into the new term of the title. (Enter the activity approval numbers below).
Approved activity numbers

No

11.2 Rehabilitation

Rehabilitation of prospecting operations is deemed 'satisfactory' when:

- an [EDG13 – Rehabilitation and relinquishment report](#) is submitted to the department by the title holder, and
- the department has formally notified the title holder that the rehabilitation is satisfactory.

11.2.1 Are there any prospecting operations on the lease (from current or previous terms) that have *not* been rehabilitated to the satisfaction of the department?

Yes. There are areas that have **not** been rehabilitated to the department's satisfaction. (Enter the activity approval numbers below).
Activity numbers

No

Rehabilitation cost estimate

All title holders must provide an estimate of rehabilitation costs. This estimate will be considered by the department when determining the [security deposit](#) amount.

Before answering the following questions, read the [Rehabilitation cost estimate guidelines](#).

11.3 What is the total rehabilitation cost estimate?

The estimate should cover the rehabilitation for **all** prospecting operations.

Total rehabilitation cost estimate

\$

The department is responsible for ensuring that the people of NSW do not incur a financial liability as a result of petroleum exploration and production operations. All title holders engaged in these activities are, therefore, required to lodge a security deposit.

The security deposit must cover the Government's full costs for rehabilitation in the event of default by the title holder.

The rehabilitation cost estimate is an estimate of all rehabilitation liabilities which currently exist on the title, including approved prospecting operations and those prospecting operations defined as exempt development.

11.3.1 What method have you used to calculate the rehabilitation cost estimate? Attach your cost calculation to this application.

- Department's [rehabilitation cost calculation tool](#).
- Other – Attach your calculations or use the field below to describe the tool or cost guide you have used.

11.4 What period is covered by the estimate?

Current disturbance at date of application

11.5 What security is currently held by the department?

Current security held by the department

\$

11.6 Does this rehabilitation cost estimate propose a reduced rehabilitation liability for the title?

If the rehabilitation has been completed and the liability has been reduced, you may claim for a reduction in the security deposit amount.

- Yes. If yes, ensure you have completed and attached [EDG13 – Rehabilitation and relinquishment report](#) to this application.
- No

12 Environmental and rehabilitation reporting

Depending on the title conditions, you may need to submit an Compliance and Rehabilitation Report or an Environmental and Rehabilitation Report prepared in accordance with [ESG4: Environmental Compliance Reporting Guidelines for Coal and Mineral Prospecting Operations](#).

12.1 Do the title conditions require an Compliance and Rehabilitation Report or Environmental and Rehabilitation Report?

- No.
- Yes, I have attached the required report.

13 Fee payment

Provide payment, proof of payment or details that allow the payment to be made. Refer to [Part 7A](#) of the *Petroleum (Onshore) Act 1991* for a list of legislated fees.

Fees

- The application fee amount is \$1,000.
