Which situation best describes this application (please tick one)?

I propose to conduct one or more new ERA's subject to a development approval. If your development approval has been granted, state your development approval number

If your development approval has not been granted, state the application number:

I propose to conduct one or more new ERA's subject to a code of environmental compliance

I propose to conduct one or more existing ERA's and the registration certificate is held by another person. This is known as a "continuing registration". The existing registration number is

Note 1: You must complete the dual signature requirement at section 8 at the end of this form

I am operating a level 2 ERA operated under an existing deemed approval or development approval (tick which applies below) and I did not apply for a registration certificate before 4 October 2005.

Existing deemed approval

For an existing development approval, state your number

Note 1: A deemed approval will continue to have effect unless the operator or scale of activity has changed since the activity was deemed to have an approval

Note 2: A development approval for a level 2 activity will continue to have effect until the term of the development approval (if any) expires or the scale of activity changes.

Are you applying to have multiple activities on a single registration certificate?

Yes – you will need to complete attachment 1 to demonstrate that all your activities are part of a single integrated operation

No

Applicant suitability

Have you ever:

- Received a penalty infringement notice, environmental protection order, restraint order or been convicted of an offence under the Environmental Protection Act 1994? Yes No
- Had an environmental authority or registration certificate, or similar licence or permit (however called) under a corresponding law cancelled or suspended? Yes No
- Been convicted of an environmental offence under a corresponding law (whether administered by this state, another state or territory, the Commonwealth or another country)? Yes No

Has a company or business you have held a position of management or control in ever, for an incident that occurred whilst you held a position of management or control:

- Received a penalty infringement notice, environmental protection order, restraint order or been convicted of an offence under the Environmental Protection Act 1994? Yes No
- Had an environmental authority or registration certificate, or similar licence or permit under a corresponding law, cancelled or suspended? Yes No
- Been convicted of an environmental offence under a corresponding law (whether administered by the state, another state or territory, the Commonwealth or another country)? Yes No

Continuing registration

If you are applying for a "continuing registration" (see section 3) include the name, signature/agreement and registration number of the current registered operator below:

Current registered operator's full name:

Current registration number:

Current registered operator's signature: Date:

ERA APPLICATION (Attachment 1):

Registration certificate for an environmentally relevant activity attachment 1 multiple ERA's

I/we hereby make application to become a registered operator to carry out multiple environmentally relevant activities under section 73D of the Environmental Protection Act 1994.

Please list the ERA's you would like to be listed on the registration certificate

Are the activities listed above carried out under the day to day management of a single responsible person?

No You will not be issued with a single registration certificate

Yes Please list name and position of responsible person

Are the activities operationally interrelated?

No You will not be issued with a single registration certificate

Yes

Please complete this question if your activities are to be carried out at two or more places at or about the same time. Are your activities sufficiently close in distance so that the single responsible person identified can successfully manage these activities in an integrated way?

No You will not be issued with a single registration certificate

Yes

Have you attached any other plans or documents that you think would assist the administering authority in making a decision about whether the activities will be carried out as a single integrated operation?

No

Yes
