Advice for completing Part G

General advice	
<ul style="list-style-type: none"> Part A must also be completed for all IDAS development applications. The applicant is responsible for answering all questions fully and correctly, unless following a response there is a statement to go directly to another question. When paying fees to the Environmental Protection Agency by electronic funds transfer (EFT) use the process from the information sheet <i>Electronically paying fees to the Environmental Protection Agency (EPA)</i> and attach the form <i>Electronic Funds Transfer (EFT) payment notification</i> to the application. For further information about completing this form go to: IDAS Guide 4 (Environmentally relevant activities (ERAs)), IDAS Guide 7 (Preparing a proposal report) or the EPA ecoaccess website 	
Q1	<ul style="list-style-type: none"> Schedule 1 of the <i>Environmental Protection Regulation 1998</i> states the thresholds that apply to Level 1 and Level 2 ERAs. Schedules 1 and 6 of the regulation state the applicable fee. Refer to Environmental Protection Regulation A development permit authorises development to occur. A preliminary approval is a step in the approval process and does not authorise development to occur.
