EXTRACT FROM MINERAL RESOURCES REGULATIONS 2006 — PART 2, SECTION 5**Marking Out**

- (1) A person is to mark out land in respect of an application for a lease by –
 - (a) erecting on one of the corners of the land a post that –
 - (i) is not less than 100 mm across each way; and
 - (ii) projects not less than one metre from the ground; and
 - (b) affixing to the post a legible and durable notice stating the following:
 - (i) the purpose of the lease;
 - (ii) any category or type of mineral to be covered by the lease;
 - (iii) the area of the land;
 - (iv) the position of the notice in relation to the land;
 - (v) the date of marking out;
 - (vi) the name and address of the applicant for the lease;
 - (vii) the name and address of the person marking out the land.
- (2) Instead of erecting a new post for marking out, a person may use an existing tree or an existing post that –
 - (a) is not less than 100 mm across each way; and
 - (b) projects not less than one metre from the ground.
- (3) An applicant for a lease is to lodge with the Registrar –
 - (a) a notice, in an approved form, of the marking out.
- (4) A notice is to be lodged with the Registrar within –
 - (a) 7 days after the marking out; or
 - (b) 7 days after giving public notice of the application in accordance with any conditions the Director determines under section 72(4) of the Act; or
 - (c) any further period the Registrar may allow.
- (5) The area and boundaries of the land are to be calculated from the datum post.
