Eggs (Labelling and Sale) Act 2001

A2001-83

Republication No 4

Effective: 1 January 2010

Republication date: 1 January 2010

Last amendment made by [A2009-31](#)

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Eggs (Labelling and Sale) Act 2001* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 January 2010. It also includes any amendment, repeal or expiry affecting the republished law to 1 January 2010.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Australian Capital Territory

Eggs (Labelling and Sale) Act 2001

An Act about the labelling and sale of hen eggs, and for other purposes

1 Name of Act

This Act is the *Eggs (Labelling and Sale) Act 2001*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition '*egg labelling requirements*—see section 5 (What are the *egg labelling requirements*).' means that the expression 'egg labelling requirements' is defined in that section.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act 2001](#), s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See [Legislation Act 2001](#), s 127 (1), (4) and (5) for the legal status of notes.

5 What are the *egg labelling requirements*

For this Act, a reference to the *egg labelling requirements*, for hen eggs, means—

- (a) the packaging for the eggs displays the relevant expression in schedule 1 indicating the conditions under which the hens that produced the eggs are kept; and
- (b) the relevant expression is preceded or followed by the word ‘egg’ or ‘eggs’; and
- (c) the relevant expression is conspicuously displayed on the packaging in standard type of at least 6mm high.

6 Labelling of egg packages

A person must not sell hen eggs unless the eggs are packaged in accordance with the egg labelling requirements.

Maximum penalty: 50 penalty units, imprisonment for 6 months or both.

7 Cage eggs—retail display

- (1) A person who displays cage eggs for retail sale commits an offence if the display is not in accordance with subsections (2) and (3).

Maximum penalty: 50 penalty units.

- (2) For subsection (1)—
 - (a) the display must have a sign containing the following statement:
‘THESE ARE CAGE EGGS. Birds are continuously housed in cages within a shed.’; and
 - (b) the sign must be placed prominently so that it can be seen and read easily by a person at or near the display; and

- (c) the statement on the sign must be printed in—
 - (i) a colour that contrasts with the background colour of the sign; and
 - (ii) Arial bold typeface in a size not less than 50 point.
- (3) If the person displays cage system eggs and other hen eggs for retail display, the display of cage system eggs must—
 - (a) be separate from the display of the other eggs; and
 - (b) have a red marking on the edge of the shelf so that the marking can be seen easily by a person at or near the display of cage system eggs.
- (4) For subsection (1), it does not matter whether the eggs were produced in, or imported into, the ACT.
- (5) Subsection (3) (b) does not apply if the total length of shelf on which hen eggs of any kind are displayed for sale is less than 2m.

Example

A retailer displays cage eggs, barn eggs and free-range eggs for sale on shelves that are stacked above one another, each kind of eggs on a different shelf. The display of each kind of egg takes up 1m of shelf length. The total length of shelf on which eggs are displayed is 3m. Subsection (3) (b) applies to the retailer.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

7A Barn eggs—retail display

- (1) A person who displays barn eggs for retail sale commits an offence if the display is not in accordance with subsections (2) and (3).

Maximum penalty: 50 penalty units.

- (2) For subsection (1)—
- (a) the display must have a sign containing the following statement:
‘THESE ARE BARN EGGS. Birds in barn systems are free to roam within a shed which may have more than 1 level. The floor may be based on litter and/or other material such as slats or wire mesh.’; and
 - (b) the sign must be placed prominently so that it can be seen and read easily by a person at or near the display; and
 - (c) the statement on the sign must be printed in—
 - (i) a colour that contrasts with the background colour of the sign; and
 - (ii) Arial bold typeface in a size not less than 50 point.
- (3) If the person displays barn eggs and other hen eggs for retail display, the display of barn eggs must be separate from the display of the other eggs so that a person at or near the display can easily identify the eggs to which the sign mentioned in subsection (2) relates.
- (4) For subsection (1), it does not matter whether the eggs were produced in, or imported into, the ACT.

7B Free-range eggs—retail display

- (1) A person who displays free-range eggs for retail sale commits an offence if the display is not in accordance with subsections (2) and (3).

Maximum penalty: 50 penalty units.

- (2) For subsection (1)—
- (a) the display must have a sign containing the following statement:
‘THESE ARE FREE-RANGE EGGS. Birds in free-range systems are housed in sheds and have access to an outdoor range.’; and
 - (b) the sign must be placed prominently so that it can be seen and read easily by a person at or near the display; and
 - (c) the statement on the sign must be printed in—
 - (i) a colour that contrasts with the background colour of the sign; and
 - (ii) Arial bold typeface in a size not less than 50 point.
- (3) If the person displays free-range eggs and other hen eggs for retail display, the display of free-range eggs must be separate from the display of the other eggs so that a person at or near the display can easily identify the eggs to which the sign mentioned in subsection (2) relates.
- (4) For subsection (1), it does not matter whether the eggs were produced in, or imported into, the ACT.

8 Regulation-making power

The Executive may make regulations for this Act.

Note Regulations must be notified, and presented to the Legislative Assembly, under the [Legislation Act 2001](#).

Endnotes

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.
