Special event – temporary road closure – information sheet

Points to note

- A “temporary road closure” is the full or partial closure of a gazetted roadway for the purpose of undertaking activities on the roadway or footpath.
- Where the road closure involves regulated parking areas, fees may be applied (these are assessed individually by Council’s City Parking – telephone (07) 5581 7680).
- All special event applications that involve a road closure shall be submitted to Council’s Special Events Unit three (3) months minimum prior to the event using the “Special events temporary road closure application” and must include details on:
 - nature of the event (triathlon, car rally, festival etc)
 - proposed roads to be used during the event and the timing (date/time) and type of closure (partial or full) for each road
- a detailed Traffic Management Plan to show full details of how the road network and road users will be affected by the event (in accordance with Department of Transport & Main Roads Part 3 – Manual of Uniform Traffic Control Devices 2.2.2).
- indication that emergency services (police, fire, ambulance) and Translink have been advised of the proposed road closure/s.
- All applications are reviewed by a key stakeholder group that includes representatives of Gold Coast City Council, Department of Transport & Main Roads (as necessary) and Queensland Police Service. For events that have a significant impact on the road network, a meeting will be arranged by Council’s Special Events Unit between the applicant and key stakeholder group to discuss details of the event Traffic Management Plan.
- Should the application be successful, Council will issue a “Notice of No Objection” with conditions by email, fax or mail.

Please Note: the “Notice of No Objection” relates to the Traffic Management Plan only. Council does not assess or approve the Traffic Guidance Scheme (e.g. plan indicating location of all traffic control devices).

- Should the application be unsuccessful, the applicant will be contacted by email, fax, mail or telephone.
- No works shall commence until the applicant meets all conditions within the “Notice of No Objection”.
- Within the “Notice of No Objection” general conditions to be met by the applicant may include:
 - it is the applicant’s obligation to ensure the Traffic Guidance Scheme is conducted (in accordance with Part 3 of the Queensland Manual of Uniform Traffic Control Devices 2.2.1). This section of the manual is available as the Works on Roads from Department of Transport and Main Roads. Refer link below to access publication.
<http://tmr.qld.gov.au/Business-and-industry/Technical-standards-and-publications/Manual-of-uniform-traffic-control-devices.aspx>
- a police permit shall be obtained from Queensland Police Service.
- police/traffic control supervision shall be provided, to the satisfaction of the Superintendent of Police.
- local residents, businesses, bus and taxi companies directly affected shall be notified a minimum of ten days prior to the event and an agreed alternative arranged, if required.
- details of the road closure shall be advertised in the public notices of a major Gold Coast newspaper ten days prior to the event.
- emergency services – (police, fire, ambulance) and Translink shall be advised in writing within three (3) working days of receiving “Notice of No Objection”.
- approval must be obtained from the Queensland Department of Transport & Main Roads, where necessary.
- Signage advising the public of proposed temporary road closures, including date, time and inquiry phone number (including after hours phone number) must be installed ten days prior to event on the affected roads. Size of signs are to be no smaller than 900mm x 900mm and positioned so as not to obscure any regulatory traffic signs, motorists visibility or impede pedestrians.
