Supporting information required to be submitted with this application:

- Application fee of \$136.00
- A copy of the building approval for the swimming pool made under the provisions of the *Sustainable Planning Act 2009*, or any preceding legislation
- 2 copies of a plan drawn to a suitable scale (e.g. 1:100) showing the siting of the pool on the land, pool dimensions and capacities, construction materials, the type and location of plant, equipment and fittings and their specifications, together with all facilities and amenities, including shade facilities and seating to be provided at the pool
- Details of the nature and extent of the public use that is proposed by the applicant
- A copy of the proposed operations manual with details of the operation, maintenance, management and supervision of the swimming pool in accordance with the relevant *Royal Life Saving Society - Australia - Guidelines for Safe Pool Operation (RLSSAGSPO)*, *Queensland Health Swimming and Spa Pool Water Quality and Operational Guidelines 2004 (QHSPWQOG)*, or other approved guidelines or standards. Examples include:
 - The type of disinfection to be used
 - The type of filtration and circulation times
 - The manner of backwash disposal
 - The qualifications and experience of the applicant, manager and all other staff
 - The amenities to be provided
 - The signage within the complex, and bather supervision
 - The emergency plans including the storage and handling of dangerous chemicals
 - Risk management within the pool complex
 - The proposed provision of first aid facilities at the pool.
- Relevant qualifications and experience of proposed managers, supervisors and staff

Privacy statement

Moreton Bay Regional Council is collecting your personal information for the purpose of assessing your application for the operation of a public swimming pool. The collection of this information is authorised under the *Local Government Act 2009*. Your information will not be given to any other person or agency unless you have given us permission or we are required by law.

All approvals will be subject to the following conditions:

- The swimming pool must be managed and supervised to protect public health and safety in accordance with the Royal Lifesaving Society -Australia - *Guidelines for Safe Pool Operation* and Queensland Health - *Swimming and Spa Pool Water Quality and Operational Guidelines* or other approved guidelines or standards
- Prior to emptying the pool, the owner must:
 - give the local government and local water authority at least 3 working days written notice before the intended draining of any public swimming pool; and
 - comply with any directions given by an authorised person about when and how the pool is to be emptied, and the manner in which the water is to be disposed of.
