### **Personal Information and Privacy Statement**

Personal information will be collected from you for the purpose of managing Tasmania's water resource and will be used by DPIPWE for assessing, considering, advising upon, managing and/or determining the relevant application and may be used for other purposes permitted by the *Water Management Act 1999* and regulations made under this Act.

You are required to provide this information by the *Water Management Act 1999* and regulations made under this Act. Failure to provide this information may result in your application not being able to be processed or the service not being able to be provided.

Your personal information will be used for the primary purpose for which it is collected, and may be disclosed to contractors and agents of the Water & Marine Resources Division, law enforcement agencies, courts and other organisations authorised to collect it.

Your basic personal information may be disclosed to other public sector bodies where necessary, for the efficient storage and use of the information

Personal information will be managed in accordance with the *Personal Information Protection Act 2004* and may be accessed by the individual to whom it relates on request to DPIPWE. You may be charged a fee for this service.
