

Under the City of Nedlands Thoroughfares Local Law, a permit is required for works that require the obstruction or part obstruction of the thoroughfare. A permit is also required to crane or hoist any object over a thoroughfare.

This form is for people undertaking any works that require the obstruction or part obstruction of the thoroughfare.

I/We: _____
(Name of applicant)

From: _____
(Company)

Of: _____
(Address)

Intend to undertake the works at: _____ (Address of works)

Proposed date of works: _____

Description of works:

I/We confirm that the location of the works will be:

- Wholly on private property. (Go to 1)
- Partially in the thoroughfare. (Go to 2)
- Wholly in the thoroughfare. (Go to 2)

NOTE: See diagrams over page for reference.

1. A traffic management plan or this permit is **NOT** required for these works; however a scaled plan of the position and the size of the works **IS** required to confirm this where requested by the City (e.g. Pool Installations) (Go to A).
2. A traffic management plan prepared by a suitably qualified person **IS** required to be submitted for evaluation. (Go to B)

A. Scale plan included

B. Traffic management plan included

Signature: _____ Date: _____

***Be advised** that should actions associated with the works, contravene the requirements pursuant to the Western Australia Road Traffic Code 2000, Regulation 297 (2), Traffic Management for Works on Roads Code of Practice, the City will issue a Stop Work Notice and may infringe and/or prosecute the offending permit holder indicated on this form.
