Supporting documentation

Due to state legislation, the City is unable to accept any registration for cats that have not been both sterilised and microchipped.

Sterilisation - sterilisation certificate or letter from vet.

Microchipping documentation and chip number MUST be provided.

Exemptions may apply for a cat, where a vet provides a certificate stating that to sterilise, or to microchip the cat, may adversely affect the health of the cat.

Pensioner concession - refer to checklist at bottom of page to ensure you provide all the necessary information.

Transfer of existing registration

Proof of current registration with other local government if transferring existing registration.

Certificate of registration

Once your registration fee is paid, this notice will be deemed to be your certificate of registration.

Are your details correct?

You must notify the City in writing if there is any change in ownership of the cat/s on this application. Please ensure your contact details are kept current with the City, and the microchip registry with which your cat is listed.

Change of ownership

Within seven days of the transfer of a cat, the owner must give notice in writing to the local government with which the cat is registered and the microchip database company of

- (i) the name and address of the purchaser of the cat, and
- (ii) any other changes to information that is on record.
